# Employee Experience

## 1.0 Landing Page

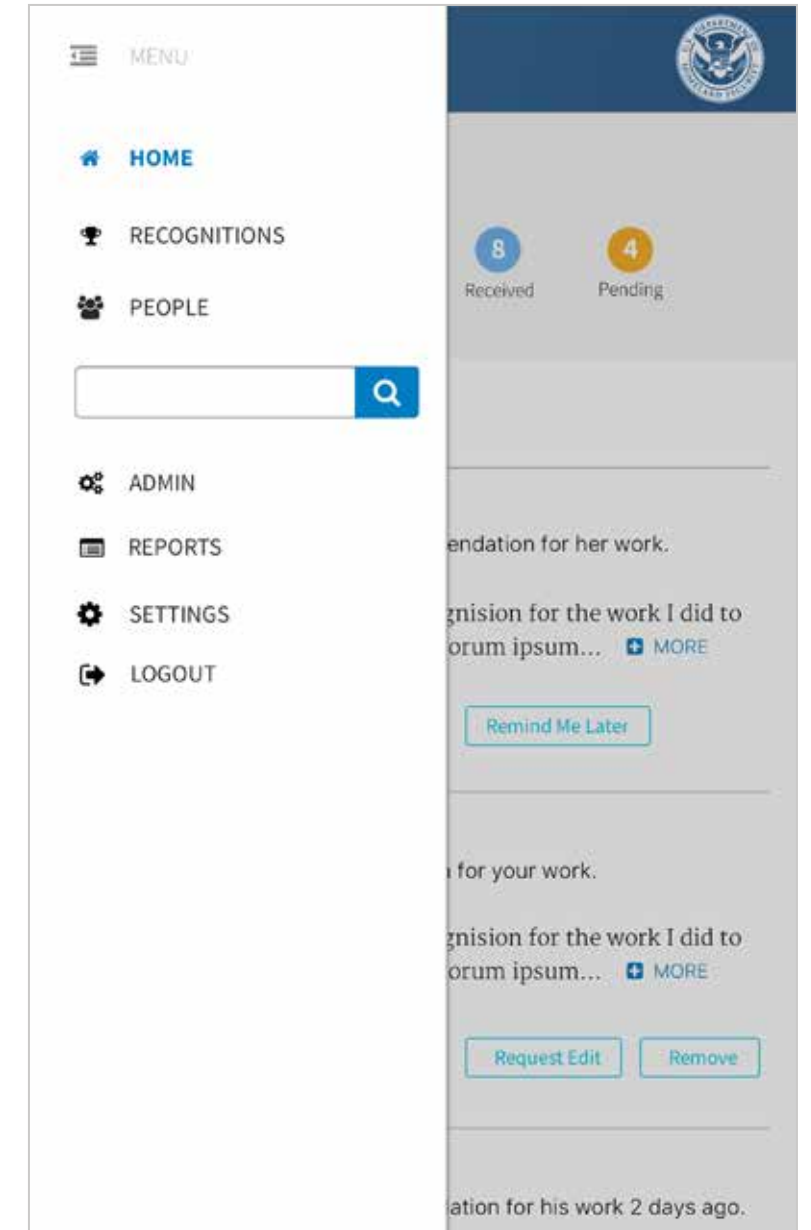

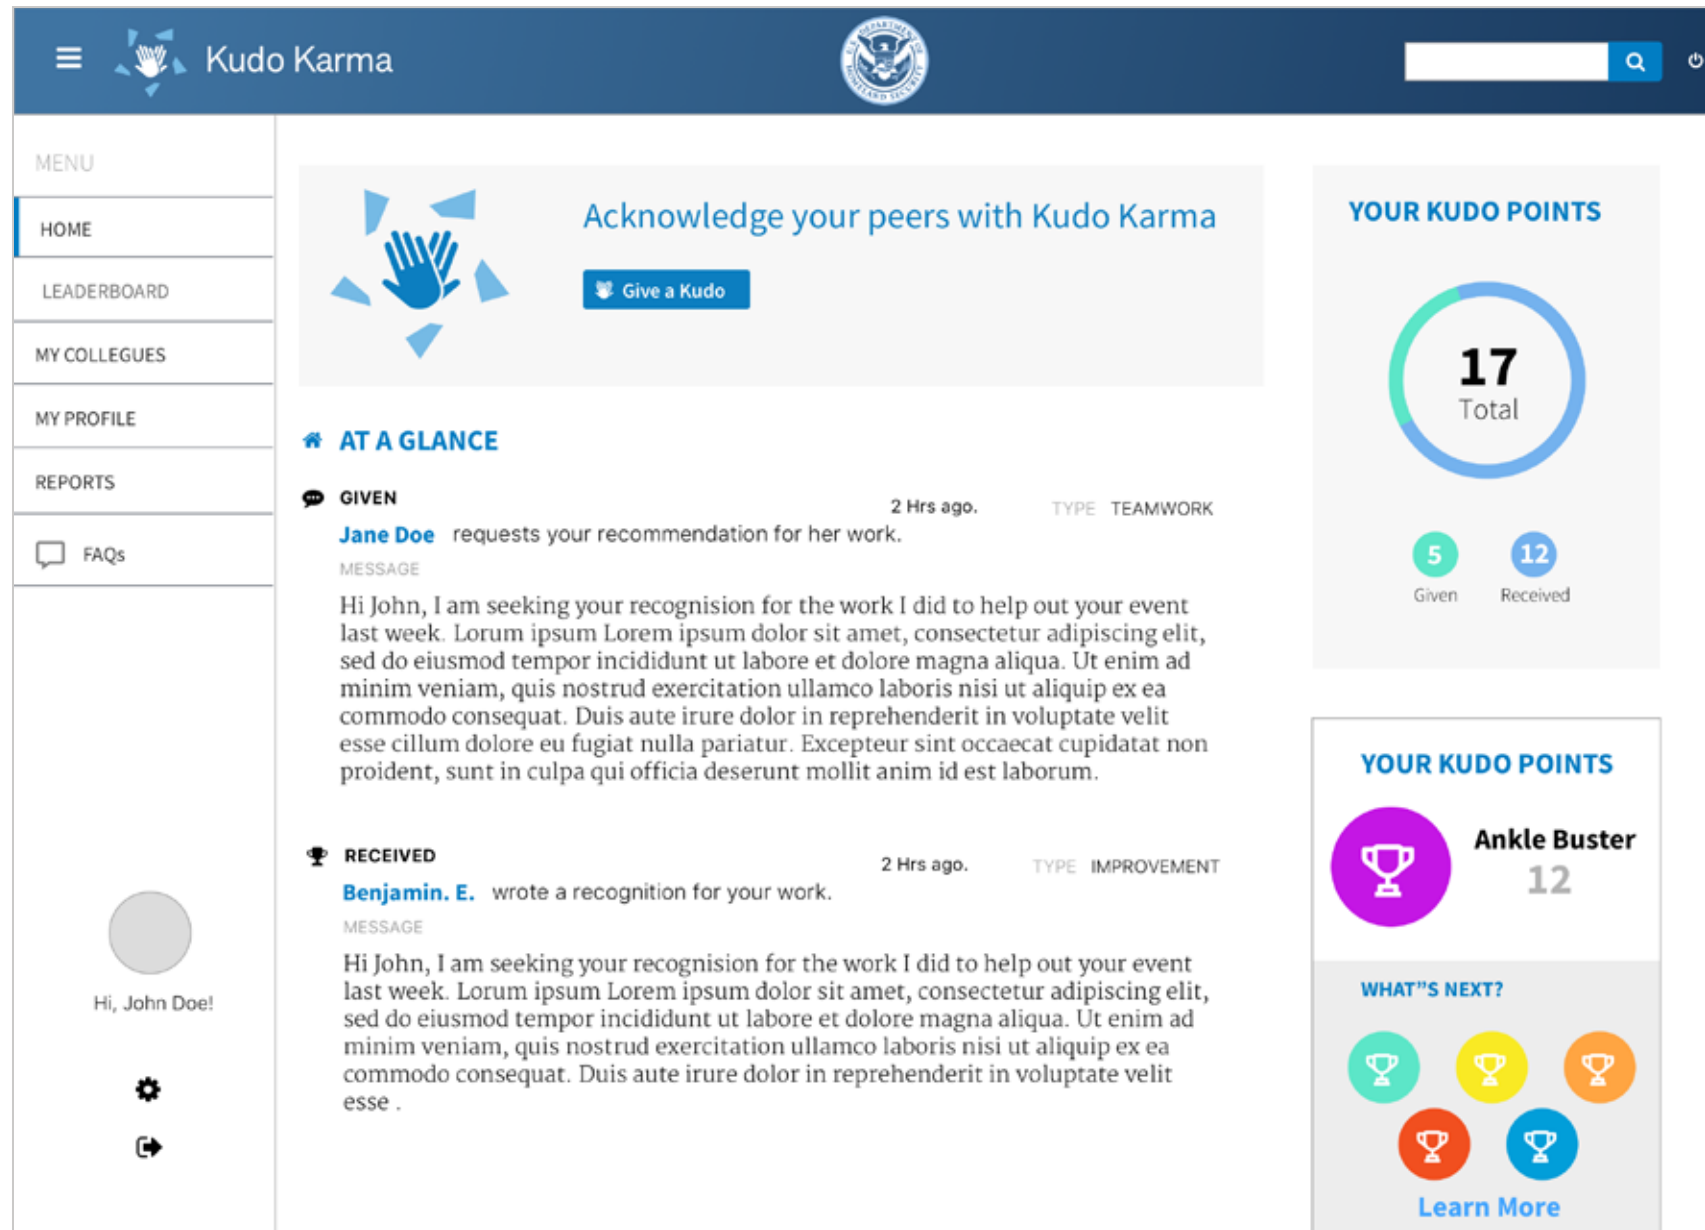

After successful login, Application will display Notifications on left-hand side. The notifications will be pertaining to recognitions, if there are new recognitions given by other Peers or somebody is requesting a recognition. Users will be able to take related action per notification, i.e. write a recognition or accept and post one. User can also request updates to recognitions. There is a chart showing user's total score or recognitions received.

## 1.1 Landing Page - Navigation

There is a navigation menu on the left-hand side that is role-based. Peer users will have access to Recognition, People and Home pages and Admin user will have all access.

## Giving Kudos

The screenshot shows a web application interface for 'DHS FLASH'. A modal window titled 'Write Recognition' is open, allowing users to submit a recognition message. The background dashboard includes a navigation menu on the left with options like 'ALL KUDOS', 'GIVEN', and 'RECEIVED'. It also features a 'POINTS' section with a progress bar and a 'Learn More' link at the bottom right.
